

A photograph of two utility workers at a power substation. A man in an orange hoodie and yellow hard hat is smiling and looking at a tablet held by a woman in a red jumpsuit and white hard hat. They are standing on a gravel surface with large electrical equipment and power lines in the background under a clear blue sky.

WEI'S 2025 BUYERS GUIDE

Photo by Jenny Daniel, Colorado Springs Utilities

Welcome to WE's Annual Buyers Guide.

WEI and WE do not recommend or endorse any listed service provider over another.

Listings with logos are longstanding WEI members who have been with WEI for 10+ years.

MOSAIC

Many pieces, one purpose.

THE MOSAIC COMPANY

Platinum

707 S Grady Way, Suite 450, Renton, WA 98057

425.254.1724

info@themosaiccompany.com

For nearly 30 years, Mosaic has partnered with energy and utility organizations to excel where precision matters most and the margin for error is zero. We strengthen workforces, optimize performance, and help utilities keep pace with emerging technology and regulatory change with practical, people-first solutions. More than advisors, we turn strategy into action—streamlining operations, closing performance gaps, and driving lasting impact to help you perform safely and reliably. Whether in the control room or in the field, we ensure teams are ready.
